

Tabani Trading International (Pvt.) Ltd.,

Tabani Trading International (TTI Group) dates back to 1885 where it made its humble beginning under the name and style of M/s. H.A. Ganny Brothers in Rangoon, Burma led by the present President's grandfather whose trade with Japan and the European countries established a reputation which is diligently upheld even today. This fact could very well be evidenced from the book, "TWENTIETH CENTURY IMPRESSIONS OF BURMA" on page 331 published by Great Britain Publishing Company Limited 1910. We are tanners, manufacturers & exporters of Leather Products. Since its inception, Tabani Trading International has had extensive experience working with distinguished companies and fashion brands worldwide, providing them with the highest quality of Leather Corporate Gifts. Our completely vertically integrated manufacturing unit allows us to manage and maintain all production processes in-house, thus making it possible to form an efficient support system that constantly nurtures creativity and responsibility towards developing and improving quality products.
